

This year OSM has 6 managers and 11 staff attending the 2008 ESRI International User Conference.

The following OSM managers are attending the Senior Executive Seminar, beginning Sunday August 3rd:

Billie Clark—Chief, Technology Management Division (Denver)
Alfred Clayborne—Field Office Director (Tulsa)
Sarah Donnelly—Chief, National Technical Training Program
Dan Rivers—Chief, IT Operations (Denver)
Earl Bandy--Field Office Director (Knoxville)
John Craynon—Chief, Regulatory Support (DC)

The following OSM employees are attending the 2008 ESRI International User Conference, beginning on Monday August 4th:

Janine Ferarese (Denver)
Tom Galya (Charleston)
Greg Morlock (Denver)
Bob Welsh (Denver)
Min Kim (Alton)
Amy McGregor (Denver)
Rade Orell (Albuquerque)
Nancy Osborne (Charleston)
Russ Porter (Albuquerque)
Elizabeth Shaeffer (Denver)
Clarice Madalena (Albuquerque)

Below is the agenda for the annual OSM-State-Partner Collaboration meeting scheduled for Tuesday, August 5th, 3:30 – 5:00 pm, Room 28D, San Diego Convention Center. The purpose of this informal meeting is to allow OSM, States and partners to share information regarding ongoing activities.

In addition, OSM and its partners have sponsored the following papers to be delivered during the week regarding geospatial mining related activities:

- o Tom Galya (Thursday, Aug. 7, 8:30 – 9:45 am Room 28A)
- o Greg Morlock (Thursday, Aug. 7, 8:30 – 9:45 am Room 28A)
- o Robert Hughes (Thursday, Aug. 7, 1:30 – 2:45 pm Room 28A)
